## Tuition and Fee Payment Information

1. Prozdor is a full-year program, and tuition is paid on an annual basis. Prozdor hires teachers and secures classroom space based on the number of students enrolled at the beginning of the academic year. Therefore, **your tuition includes a \$500 non-refundable deposit**, which must be paid at the time of enrollment. *If a student is withdrawn for any reason after classes begin, but before September 30, 2011, you are responsible for 50 percent of all tuition and fees; if a student is withdrawn for any reason after September 30, you are responsible for 100 percent of all tuition and fees.*  
**There will be no exceptions to this policy.**
2. No deductions or refunds shall be made in the event of extended absence, dismissal or change in program hours.
3. There will be a \$150 tuition discount and priority class registration for payment *in full* by June 1, 2011.  
There will be a \$75 tuition discount and priority class registration for payment of \$500 deposit by June 1, 2011.  
There will be priority class registration given for payment of \$500 deposit by June 30, 2011.
4. Prozdor contracts with Tuition Management Systems (TMS) to enable you to spread out your payments over the course of several months. Monthly payments must be completed by March 2012, regardless of the date of your first payment. If you would like to take advantage of this payment plan, there is a \$45 fee per student, payable to TMS.
5. Bus fees are \$295 for round trip and \$150 for one-way.
6. The Hebrew fee is \$75 per student. All students enrolled in Hebrew language classes must pay this fee.
7. We are very much aware that, for many people, these are difficult economic times, and we firmly believe that financial challenges should not preclude anyone from attending Prozdor. However, please also understand that our financial aid budget is more limited than it has been in the past. The key to getting the financial aid you need is to send in your enrollment form and complete financial aid application (with your signed 1040) as early as possible. The deadline for financial aid applications is June 15, 2011. In order to be considered for financial assistance, we must have a signed copy of your entire 1040, with all schedules attached, along with your enrollment application and \$500 tuition deposit. **(Applying for financial aid will not prevent you from receiving priority class registration. However, you will not be eligible for early bird registration discounts).** *Please understand that if we receive your financial aid application after the deadline, there will be fewer resources available.*
8. If you are able, please consider a donation of \$36 to help cover the cost of tuition for families who have been hit hard by the recent recession.
9. **Your signature below indicates your understanding of the above policies and your agreement to abide by them. All parties financially responsible for tuition payments are required to sign.**
